

NOTICE TO PETITIONERS

Under Michigan law, it is the responsibility of the Petitioner to prepare and mail notice of hearing and petitions to interested parties as defined by Michigan Court Rule. We realize you may not have easy access to a copy machine or be familiar with proper legal procedures. If you wish, Probate Court staff will take care of this important function for you for a service fee or \$5. Please indicate your preference below and return this page with your petition.

- Yes, please copy and mail court documents for me. \$5 is enclosed to cover the service fee.
