The provisions of Chapter 616A to D, inclusive, of the Nevada Revised Statutes require every person, firm, voluntary association, and private corporation, including any public service corporation, which has any person, subcontractor, or independent contractor, under contract of hire, to obtain industrial insurance coverage in Nevada or obtain a certificate of self-insurance from the Nevada Commissioner of Insurance. **Subcontractors and independent contractors engaged in the same trade, business, profession or occupation as the hiring person or business, are by law considered to be employees.** One exception to the requirement for industrial insurance is if you or your business hires no employees, subcontractors or independent contractors. You are not required to obtain industrial insurance coverage for the following employees: theatrical or stage performers; casual musicians; household domestics, farm, dairy, agricultural or horticultural laborers, or persons engaged in stock or poultry raising; voluntary ski patrolman; real estate brokers and/or salesmen; direct sellers; or clergy. Businesses which elect to obtain industrial insurance coverage for such persons, gain valuable rights and significantly reduce liabilities for injuries to these persons. **A business which hires persons who are exempt from the provisions of Chapter 616A to 617, inclusive, of the Nevada Revised Statutes may be held liable in tort for injuries to those persons.** A business which hires exempt persons may elect to obtain industrial insurance, including sole proprietor coverage and partnerships.

**IMPORTANT NOTICE:** Pursuant to the provisions of NRS 616D.200(1): Any employer within the provisions of NRS 616B.633 who fails to provide, secure or maintain compensation as required by the terms of this chapter, is: (a) for the first offense, guilty of a **misdemeanor** and (b) for a second or subsequent offense committed within 7 years after the previous offense, guilty of a **category D felony**.
