The personal representative, within sixty (60) days after entering on the administration of a testate or intestate estate, shall make a complete and accurate inventory of the probate estate of the deceased, and return the inventory to the clerk of the court exercising probate jurisdiction in the county of the estate, and verify it by the personal representative's oath before the clerk or before any person authorized by law to administer oaths in such cases whether within or without the borders of the state. When the will of the deceased excuses the requirement for making and filing an inventory of the estate, or when excused by all of the residuary distributees or legatees, no inventory shall be required of a solvent estate, unless demanded by any residuary distributee or legatee of the estate.
